

MARITIME ARCHAEOLOGICAL AND HISTORICAL SOCIETY

2023 Introductory Course in Underwater Archaeology

Would you like to dive with MAHS to conduct research on historic shipwrecks and help preserve our national maritime heritage? Then this course is for you.

The Maritime Archaeological and Historical Society (MAHS) is accepting applications for its 35th annual Introductory Course in Underwater Archaeology starting Tuesday, January 24, 2023.

The course consists of nine evening classes (7:30 to 9:30 pm) on Tuesday nights, plus a Final Review class. Classes will be conducted online by Zoom, so students need access to a computer or smart phone to participate. The course is open to all interested persons whether certified scuba divers or not. Cost is \$185 per person.

Upon successful completion of the course and final exam, a student who is a certified diver is eligible to register for the MAHS Field School where students will participate in the investigation of an historic shipwreck or other underwater site. Thereafter, graduates are invited to participate in future MAHS projects.

CLASS SCHEDULE: see website for updates: www.mahsnet.org/introclass
